### **TERMS OF PARTICIPATION**

**8. Eligibility and rules of origin**

Participation is open to all legal persons participating either individually or in a grouping (consortium) of tenderers which are established in a Member State of the European

Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed (see also heading 22 below). All works, supplies and services under this contract must originate in one or more of these countries. Participation is also open to international organisations. The participation of natural persons is directly governed by the specific instruments applicable to the programme under which the contract is financed.

## **9. Grounds for exclusion**

Tenderers must submit a signed declaration, included in the Tender Form for a Works Contract to the effect that they are not in any of the situations listed in point 2.3.3 of the **Practical Guide to contract procedures for EC external actions**.

Tenderers and, if they are legal entities, persons who have powers of representation, decision-making or control over them, are informed that, should they be in one of the situations mentioned in:

- Commission decision (2008/969/EC, Euratom) of 16 December 2008 on the Early Warning System (EWS) for the use of authorising officers of the Commission and the executive agencies (OJ, L 344, 20.12.2008, p. 125),
- Commission Regulation (2008/1302/EC, Euratom) of 17 December 2008 on the central Exclusion Database – CED (OJ, L 344, 20.12.2008, p.12),

their personal details (name, given name if natural person, address, legal form and name and given name of the person with powers of representation, decision-making or control, if legal person) may be registered in the EWS and CED, and communicated to the persons and entities listed in the above-mentioned decision and regulation, in relation to the award or the execution of a procurement contract or a grant agreement or decision.

## **10. Number of tenders**

Tenderers may submit only one tender for whole of the works. Tenders for parts of the works will not be considered. Any tenderer may state in its tender that it would offer a discount. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

## **11. Tender guarantee**

Tenderers must provide a tender guarantee of 250,000 EUR, when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer upon signature of the contract by all parties.

## **12. Performance guarantee**

The successful tenderer will be asked to provide a performance guarantee of 10% of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality, as the economic operator.
