2. Procedure

Open

3. Programme

IPA

4. Financing

IPA Financing Agreement between the Republic of Croatia and European Commission

5. Contracting Authority

Hrvatske vode, Ulica grada Vukovara 220, HR – 10000 Zagreb

CONTRACT SPECIFICATIONS

6. Description of the contract

The works contract according to FIDIC Red Book conditions of contract includes but is not limited to: a) Water Supply system: Replacement works of about 2.3 km of trunk main, extension works for about 2.1 km of water supply network, replacement of about 16.7 km of water supply network, procurement of 700 customer water meters, procurement and installation of bulk water meters, instrumentation and pressure reducing valves, rehabilitation works of one pump station, construction of one booster station. – b) Sewerage network: Mapping, inspection and cleaning of about 18.5 km of sewerage network, various repairs of 5.5 km of sewerage network, rehabilitation and extension works of about 13.7 km of sewerage network and disconnection of 2500 storm water inflows, c) Stormwater network: Mapping, inspection and cleaning of about 3.6 km of stormwater sewers, various repairs of 1.5 km of stormwater sewers, d) Sewage pumping stations: supply, construction and installation works of 4 new sewage pumping stations. e) Design, procurement and installation of a SCADA system.

7. Number and titles of lots

Not applicable.

TERMS OF PARTICIPATION

8. Eligibility and rules of origin

Participation is open to all legal persons [participating either individually or in a grouping (consortium) of tenderers] which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed (see also heading 22 below). All works, supplies and services under this contract must originate in one or more of these countries. Participation is also open to international organisations. The participation of natural persons is directly governed by the specific instruments applicable to the programme under which the contract is financed.

9. Grounds for exclusion

Tenderers must submit a signed declaration, included in the Tender Form for a Works Contract to the effect that they are not in any of the situations listed in point 2.3.3 of the Practical Guide to contract procedures for EC external actions.

Tenderers and, if they are legal entities, persons who have powers of representation, decision-making or control over them, are informed that, should they be in one of the situations mentioned in:

- Commission decision (2008/969/EC, Euratom) of 16 December 2008 on the Early Warning System (EWS) for the use of authorising officers of the Commission and the executive agencies (OJ, L 344, 20.12.2008, p. 125),
- Commission Regulation (2008/1302/EC, Euratom) of 17 December 2008 on the central Exclusion Database – CED (OJ, L 344, 20.12.2008, p.12),

their personal details (name, given name if natural person, address, legal form and name and given name of the person with powers of representation, decision-making or control, if legal person) may be registered in the EWS and CED, and communicated to the persons and entities listed in the above-mentioned decision and regulation, in relation to the award or the execution of a procurement contract or a grant agreement or decision.

10. Number of tenders

Tenderers may submit only one tender for whole of the works. Tenders for parts of the works will not be considered. Any tenderer may state in its tender that it would offer a discount. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

11. Tender guarantee

Tenderers must provide a tender guarantee of 150.000 EUR, when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer upon signature of the contract by all parties.

12. Performance guarantee

The successful tenderer will be asked to provide a performance guarantee of 10% of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender.

13. Information meeting and/or site visit

Participation to the information meeting and site visit is recommended, but not compulsory.

A site visit will be held on 1 July 2010 at 12:00 hrs local time at the following address:

Grad Knin, Dr. Franje Tuđmana 2, HR – 22300 Knin

An information meeting will be held on 1 July 2010 at 14:00 hrs local time at the following address:

Grad Knin, Dr. Franje Tuđmana 2, HR – 22300 Knin

The minutes of the clarification meeting and the site visit will be published at EuropeAid (<https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?ADSSChck=1224846858672&do=publi.welcome&userlanguage=en>) and Hrvatske vode website at <http://www.voda.hr/IPA->

14. Tender validity

Tenders must remain valid for a period of 90 days after the deadline for submission of tenders.

15. Period of implementation of tasks

871 days from the commencement date, including a defect notification period of 365 days

SELECTION AND AWARD CRITERIA

16. Selection criteria

The minimum selection criteria for the Sole Tenderer include:

Economic and financial capacity of candidate:

- The Tenderer must have an annual turnover for each of the last 3 years (2007, 2008, 2009) equivalent to 11,000,000 EUR.
- The Tenderer must have access to sufficient credit and other financial facilities to cover the required cash flow for the duration of the contract. In any case, the amount of credit available must exceed the equivalent of 1,500,000 EUR.

Technical and professional capacity of candidate:

- The Tenderer must have as a prime contractor commenced and completed at least 2 construction projects of water supply system in the total length of at least 8 km (this length must not be made up by more than 2 projects) during the period from 1st January 2005 up to deadline for submission of tenders. The Contracting Authority reserves the right to ask for copy of the respective certificate of final acceptance signed by the supervisor/contracting authority of the project concerned.¹
- The Tenderer must have as a prime contractor commenced and completed at least 2 construction projects of sewerage system in the total length of at least 8 km (this length must not be made up by more than 2 projects) during the period from 1st January 2005 up to deadline for submission of tenders. The Contracting Authority reserves the right to ask for copy of the respective certificate of final acceptance signed by the supervisor/contracting authority of the project concerned.²
- The Tenderer must carry out at least 70% of the contract works by its own resources, which means that it must have the equipment, materials, human and financial resources necessary to enable it to carry out that percentage of the contracted works.
- Tenderer's Key Personnel (both the Contractor's Representative and Site Manager) must have the following experience:

Position	GENERAL PROFESSIONAL EXPERIENCE (years)	SPECIFIC PROFESSIONAL EXPERIENCE IN SIMILAR ³ WORKS (years)	EXPERIENCE IN SIMILAR POSITION (years)
Contractor's Representative	10	5	3
Site Manger	10	5	3

Tenderer's Key Personnel (both the Contractor's Representative and Site Manager) must submit CV's and evidences for referenced projects stated in CV's (such as Employer's Certificate, affidavit, etc.).

¹ one and the same Project can cover criteria under first and second bullet. Referenced projects have to be of the same nature and complexity comparable to the works concerned by the tender.

² one and the same Project can cover criteria under first and second bullet. Referenced projects have to be of the same nature and complexity comparable to the works concerned by the tender.

³ Similar works mean construction/reconstruction of water supply system and construction/reconstruction/restoration of sewerage system.

The joint venture/consortium as a whole (all members together) and the lead member must satisfy the following minimum qualifying criteria:

Economic and financial capacity of candidate:

- The joint venture/consortium must have an annual turnover for each of the last 3 years (2007, 2008, 2009) equivalent to 11,000,000 EUR (lead member of a joint venture/consortium must have an annual turnover for each of the last 3 years equivalent to 7,500,000 EUR).
- The lead member of joint venture/consortium must have access to sufficient credit and other financial facilities to cover the required cash flow for the duration of the contract. In any case, the amount of credit available must exceed the equivalent of 1,500,000 EUR.

Technical and professional capacity of candidate:

- The joint venture/consortium as a whole must have commenced and completed at least 2 construction projects of water supply system in the total length of at least 8 km (this length must not be made up by more than 2 projects) during the period from 1st January 2005 up to deadline for submission of tenders. The Contracting Authority reserves the right to ask for copy of the respective certificate of final acceptance signed by the supervisor/contracting authority of the project concerned.⁴
- The joint venture/consortium as a whole must have commenced and completed at least 2 construction projects of sewerage system in the total length of at least 8 km (this length must not be made up by more than 2 projects) during the period from 1st January 2005 up to deadline for submission of tenders. The Contracting Authority reserves the right to ask for copy of the respective certificate of final acceptance signed by the supervisor/contracting authority of the project concerned.⁵
- The joint venture/consortium as a whole must carry out at least 70% of the contract works by his own resources, which means that he must have the equipment, materials, human and financial resources necessary to enable it to carry out that percentage of the contracted works.

⁴ one and the same Project can cover criteria under first and second bullet. Referenced projects have to be of the same nature and complexity comparable to the works concerned by the tender.

⁵ one and the same Project can cover criteria under first and second bullet. Referenced projects have to be of the same nature and complexity comparable to the works concerned by the tender.

- Tenderer's Key Personnel (both the Contractor's Representative and Site Manager) must also have the following experience:

Position	GENERAL PROFESSIONAL EXPERIENCE (years)	SPECIFIC PROFESSIONAL EXPERIENCE IN SIMILAR ⁶ WORKS (years)	EXPERIENCE IN SIMILAR POSITION (years)
Contractor's Representative	10	5	3
Site Manger	10	5	3

Tenderer's Key Personnel (both the Contractor's Representative and Site Manager) must submit CV's evidences for referenced projects stated in CV's (such as Employer's Certificate, affidavit, etc.).

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality, as the economic operator.
